“Surely he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. MISSIONARY NEWS AND PRAYER POINTS

Outreaches in Interlaken 2019: Particularly in summer, Interlaken is crowded with tourists from all over the world. The following activities are planned for the summer. At present we are applying for permission from the local authority. We value your prayers and invite you to participate in the outreaches.

- Literature outreaches: With the support of members from other churches we plan outreaches on at least seven days, mainly on Fridays and Saturdays, from June until August. There will be short times of information and advice on how to lead conversations with people of other faiths. A market stand will be at the 'Market Place', near 'Tea Room Rieder' or else we use an old post office bike to offer literature in different languages. Info on a separate flyer or phone +4133 671 30 52.
- Open-air Services on Saturdays: 20 and 27 July, 10 and 17 August, at the market place opposite the post office, at 8 pm. Please pray for the planning (Bible messages, youth choir, alphorn playing, brass band, etc.
- The OM team will be in Interlaken from 10 to 24 August. The team will be present at the open-air on Saturday, 17 August and some will join us for the Sunday Service on 18 August.

Urgent need for Bimbilla (Ghana): Daniel and Marlies Glausen have agreed to take over the work in Accra for two and half years before their retirement. We are glad for their experience in mission work they bring with them. However, we still pray for new missionaries for Bimbilla, where literally "the harvest is plentiful, but the workers are few," therefore, let us "ask the Lord of the harvest, to send out workers into his harvest field" (Luke 10:2).
