MISSIONARY NEWS AND PRAYER POINTS

Outreaches before and after Christmas: In Thun, Bern, Biel and further places there were again outreaches during December with tracts and calendars in different languages, also in Adelboden just after Christmas and then again during the world cup in January 2019. – We pray for the many recipients of tracts and calendars.

Tourists in Interlaken: For many years the OM team has been in Interlaken every year for two weeks, in order to contact Arab speaking tourists. The church leaders in the Interlaken area are eager to reach tourists at other times of the year. Outreaches are planned again for this year, for several days between May and mid-August. Interested people will receive some instruction on how to hand out literature and DVDs in different languages, from a stall at the market place. Let us pray for God's guidance.

Missionary work in Bimbilla (Ghana): Our church has been in contact for many years and we gladly remember Toni and Marlies Lauber, as well as Monika Trummer in our prayers. During the summer months they were supported by a number of volunteers and also had an official visit of the new mission secretary and Bernhard and Martha Schmied. They valued the practical and spiritual support. Their work of 'chronological Bible storytelling' to reach the Nanumbas in Bimbilla is making progress. Also the teaching lessons on Christianity in different schools are a good way of spreading the Bible message.

Urgent need for Accra and Bimbilla (Ghana): The Trummer family return to Switzerland in summer 2019. They need to be replaced. We pray for new missionaries for Accra and Bimbilla. "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field" (Luke 10:2).
