WHAT WE BELIEVE

- We believe that this ministry must be based on the Bible as God's unfailing Word.
- We believe that God exists in three persons – the Father, the Son and the Holy Spirit.
- We believe that Jesus Christ died that all who believe in Him will be saved, by grace alone.
- We believe in a risen Lord and we wait for His imminent return.
- We recognize the need to preach the Gospel to every creature.

WHO WE ARE

We are a 'Holiday Church' and everybody is very welcome. The Evangelical Fellowship is the English speaking branch of a Swiss evangelical free Church, founded in 1909, with around 70 meeting places in Switzerland.

MISSIONARY WORK IN GHANA

Toni and Marlies Lauber are back in Bimbilla. We wish them God's blessing on the birth of their second son, Yanis Tahima (Dagbani: Hope). Monika Trummer will soon be on furlough. Jael Leiser continues her Dagbani studies and teaches at schools in Bimbilla. – Daniel and Marlies Glausen are on a short vocation in Switzerland and then will carry on the work in Accra. May God call someone to replace them as from summer 2022. Let us support the whole team in our prayers.

Welcome!

CHURCH NEWS

Attendance of visitors: Because of the corona situation and travel restrictions many of the regular visitors to Interlaken have not been able to come for yet another year. Some of them cannot come anymore because of health problems or getting on in age. We miss them, but were glad to hear from many of them over Christmas.

Corona restrictions: For those not able to join us, we recommend these links and encourage you to listen into it: www.chrbc.org or www.allsouls.org

EVANGELICAL FELLOWSHIP, PART OF THE GFC CHURCH

Since January 2021, the 'Evangelical Fellowship' is now integrated into the local GfC church. The services take place at the same place. At 10 am on the 2nd and 4th Sunday of each month someone with a fair command of English welcomes visitors and translates for them.

OUTREACHES IN INTERLAKEN AND AREA

Outreaches before Christmas: The yearly outreach in Thun and Frutigen took place, in spite of the restrictions. In Thun we were able to have a stand with tracts and calendars in different languages. Many people were reached in Adelboden just after Christmas and then again during the world cup in January 2022. – We pray for the many recipients of tracts and calendars.

Tourists in Interlaken: At the moment, it is difficult to plan already for summer, but we pray that some outreaches will be possible again, like in summer 2021. We believe that it's an urgent need for people to get to know the hope of the believers in the Lord Jesus Christ.
